

Description

The silt fence installer attachment provides a more efficient and much more secure method of installing silt fence than the traditional methods of digging by hand or trenching.

Dimensions

Description	Item number	Overall length (A) (mm)	Overall width (B) (mm)	Overall height (C) (mm)
Silt Fence Installer, 116 cm, Non-CE	7137320	-	1160.0	-

Weights

Description	Item number	Operating weight (kg)	Shipping weight (kg)
Silt Fence Installer, 116 cm, Non-CE	7137320	351.0	351.0

Main features

- Increase your productivity by installing hundreds of meters of silt fence fabric per hour and avoid costly governmental fines and project shutdowns.
- It's the fastest, easiest and most economical way to install silt fence for residential, commercial, industrial or motorway projects.
- The silt fence installer works with 91 cm, 107 cm or 122 cm silt fence.
- Minor modifications are required to adjust the roll holder for a different size.

Applications

- Agriculture
- Forestry
- Landscaping
